REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: Applicant has submitted amended the claims that particularly point out the selected nature of the invention at hand. Moreover, the Declaration submitted 9-13-2000 shows unexpected results (i.e. stability) of esters that are commensurate in scope with the claimed composition, than the closest prior art of record (i.e. Jolley). Accordingly, the claims are considered allowable over the art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
